JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

A medical inspector or school nurse may be employed by the trustees or boards of education of two or more school districts, and the compensation of such inspector and the expenses incurred in making inspections of pupils as provided herein shall be borne jointly by such districts, and be apportioned among them according to the assessed valuation of the taxable property therein.

In cities and union free school districts having more than 5,000 inhabitants, the board of education may employ such additional medical inspectors as may be necessary to properly inspect the pupils in the school in such cities and union free school districts.

The trustees of a common school district or the board of education of a union free school district whose boundaries are coterminous with the boundaries of an incorporated village shall, in the employment of medical inspectors, employ the health officer of the town in which such common school district is located or the health officer of such union free school district, so far as may be advantageous to the interests of such district.

Quarantine Establishment—Appointment of Commission to Effectuate Transfer of, to United States—Abolishment of Office of Health Officer for Port of New York. (Ch. 342, Act Apr. 27, 1916.)

SECTION 1. A commission is hereby created consisting of the governor, lieutenant governor, attorney general, comptroller, and State engineer and surveyor, to negotiate with the proper authorities of the United States, for the transfer of title or the surrender of the possession and use to the United States, upon the payment of such compensation as may be agreed upon, of the quarantine establishment of this State, consisting of docks and wharves, anchorage for vessels, stationary hospital, boarding station, crematory, residence for officers and men, and such other places and structures as have been authorized by law for quarantine purposes. If such agreement be made, such commission shall have power to execute and deliver to the proper authorities of the United States, in behalf of this State, all deeds and other instruments necessary to effectuate such transfer or surrender.

SEC. 2. Upon the completion of such transfer or surrender, such commission shall file a certificate thereof, in duplicate, in the offices of the secretary of state and State comptroller, and thereupon the office of health officer for the port of New York shall be abolished, and the terms of office of the health officer for the port of New York then in office and of all his subordinate officers and employees shall terminate.

SEC. 3. Upon the transfer of title or the surrender of the possession and use of the quarantine establishment to the United States pursuant to this act, jurisdiction of the land and water included in such establishment shall be ceded to the United States by this State, on condition that the jurisdiction so ceded shall not prevent the execution thereon of any process, civil or criminal, issued under the authority of the State, except as such process might effect [sic] the property of the United States therein, and that such jurisdiction shall continue in the United States so long only as such land and water shall remain the property or in the possession of the United States.

Mosquitoes—Extermination of—Establishment of Districts. (Ch. 246, Act Apr. 17, 1916.)

SECTION 1. The town board of any town in the county of Suffolk may establish one or more districts for the purposes of this act within the town and outside the boundaries of any incorporated village, on the petition of a majority of the owners of taxable real property in the proposed district. The petition must be signed by the petitioners and acknowledged in the same manner as a deed to be recorded. Such petition, accompanied with a map showing the boundaries of the proposed district
